HOW TO LIVE TOGETHER

Kunsthalle Wien / 2017

Kunsthalle Wien / 9.2017 / Photo: Benedikt Steiner

How to live together?

By leaving a valuable object unattended ...

„Place your mobile phone here while looking at the artworks in this exhibition hall.“

... but always within the range of vision, the project invites visitors to explore their very own relation to the human surrounding.

Fühle
mich
einsam

"feeling lonely"

A person showing its loneliness?

Or an art project? Both appear possible. Intuition or rationality? Intuition draws people passing by towards the person. Rationality keeps them at a distance. Evaluating becomes necessary...

The more the situation
approaches the art world,

the more the concept of art seems to influence
the decision. The concept begins to interfere. It
becomes relevant and its individual form makes
itself noticeable for the visitor?

THE RISE OF [FILL IN THE NAME OF POPULIST HERE]

Vienna, Amsterdam / 2017

11.2.2017 / Mariahilfer Straße / Vienna

The inauguration speech of Donald Trump from January 20, 2017 can be heard.

In the beginning at low volume. All buttons on the back of the speaker had been modified. Regardless which button the pedestrians press, they only increase the volume of the speaker. Louder/quieter, on/off, program up/down ... whether you argue for or against Trump, support or ignore him:

He is getting incredibly noisy. The more attention it requires to shut him off, the more attention he gets from all the others. In our midst. A loud, interactive interaction. With the result, that a populist, just like in the course of an election campaign, gains power through all of us.

And the question arises: How do we deal with it now? A (loud) speaker which can't be turned off.

Buttons on the back of the speaker are out of order.

Every button increases the volume of the speaker.

Das Populisten-Experiment

Der österreichische Künstler Peter Reischl hat die Amsterdamer mit Redeausschnitten von Geert Wilders beschallt. Ist das Propaganda, fragten sich einige und griffen ein.

POPULISMUS BEIM
WORT NEHMEN

*TAKING POPULISM AT
ITS WORD*

Vienna / Floridsdorf, Viktor-Adler-Markt / 2016

"I am honest! I say what I think." 28.11.2017 / Facebook

How do you encounter populism?

What happens if you do exactly what populists promise?

Populists are on the up. They promise simple solutions for complex problems.

„Be honest. Tell the truth.“

Norbert Hofer / FPÖ.

„Pronounce, what Vienna thinks.“

H.C. Strache / FPÖ.

„Courage to tell the truth.“

Key slogan of the AfD alternative for Germany.

How can you deal with this? What if you do exactly what populists promise? Telling the truth. Expressing every thought. Without filtering. Where does that lead to? What impact does it have? Would it unmask populism?

HALTEN WIR MICH AUS -
eine Annäherung.

*LET'S ENDURE ME -
a rapprochement.*

Vienna, Berlin, Athens / 2016

8.11.2016 / Mariahilfer Straße / Vienna

“You see the colorful framed rectangle? That’s the extension of my brain. Once you enter it, I will start to enunciate every thought that appears during our interaction.”

Let’s endure me – a rapprochement arose from the question whether we could endure me or not. Whether I’m reasonable. Completely unfiltered. What happens – to us – when I switch off the membrane between my thoughts and the environment? When I stop asking myself if I’m allowed to speak my thoughts out loud. My thoughts that appear within milliseconds. Look out for colorful squares.

8.11.2016 / Mariahilfer Straße / Vienna

At the beginning it is agreed that both persons may end the interaction with a simple step out of the rectangle.

KOMM, LASSEN WIR UNS VON
DER WELT ERDRÜCKEN.

*COME ON, LET'S GET CRUSHED
BY THE WORLD.*

Vienna / 2016

Capitulation regarding the complex world events?

Do I surrender or am I trying to change something? How does my body answer these questions?

„I would change a lot..

...but unfortunately...

...i can't do it on my own." Videostills.

Relaxation by powerlessness?

Relaxation by surrendering to the world?

Relaxation which turns into dissatisfaction shortly after? Into a feeling of being cramped and restricted?

How do i want to spend my life?

PARALLELWELTEN

PARALLEL WORLDS

Vienna / 2016

Parallel worlds / Vienna / 2016 / Intervention with adhesive foil

The absolutely self-evident, which never catches our eye in everyday life, becomes immediately visible by means of minimal change.

Do we live only in one world? Couldn't it be the case, that the one world, which is the starting point for all our actions and seems so compellingly unique to us, might become a completely different one within seconds?

What if we choose to perceive what we do not perceive? The boundaries between the worlds seem incredibly close and permeable.

VERGLEICH-ICH-ICH

MIRROR, MIRROR

Festival of Performances Krieau / 2016

Bin ich ein guter Vater?

„Am I a good Dad?“

Bin ich attraktiv?

„Am I attractive?“

Oder bin ich konservativ?

„Or am I conservative?“

Bin ich alternativ?

„Am I liberal?“

Bin ich groß?

„Am I tall?“

Visitors find a picture of themselves with a handwritten note of a stranger explaining what impact their portrait had on his or her self-definition.

How I became the person I am?

Who determines what I am?

Am I a result of constant

comparison with others?

Do other people shape my insides,
my contours?

What if they had never existed in
the first place?

WIRKLICHKEIT

REALITY

Vienna, Underground station / 2015

Do I stand out?

Do you sometimes think about me,
without seeing me?

Or don't you even notice me after
three weeks passing by in the
morning/evening?

How quickly I make it into your
consciousness ?

How quickly I am out of it again?

Peter Reischl Born in Munich (Germany) on the 10th December 1982. Austrian citizen.

A moment of irritation, a sudden disruption of the well-known – with his projects Peter Reischl employs performative elements to challenge the ordinary. Provoking a reaction is a crucial part of Reischl's work, which addresses political and social topics by translating them into performative questions. His work is about creating a space of ambiguity, that doesn't lead to an answer or predefine a certain direction. That is what makes his art a provocative one: Like an experimental set-up, he merely arranges the basic parameters in order to trigger any re-actions of his counterpart. The spectator becomes the one in control. Reischl's art projects provoke unfiltered reactions that aren't necessarily required in the course of everyday life. In a way, it's all about a re-activation of thinking, a re-discovery of one's agency and free will.
